

Democracy

A system of government that involves people in decision making e.g. voting to elect representatives to Parliament.

- **Student voice:** Students are involved in interview panels for new staff and their views and input are respected. Student voice is also used to help improve the school and to provide feedback on aspects of school life – in both curriculum and pastoral areas. The 6th form team, led by the Head Boy and Head Girl, lead the Student Council and a range of charity initiatives around the school. Regular Headteacher meetings with students.
- **Curriculum:** British values are taught in PD.
- **Parental involvement:** Parents/carers complete questionnaires at parents' evening. The Parent Panel meets to discuss policies and current issues.
